**ARE YOU PLANNING TO GET MARRIED?** If you plan on getting married at St. Mary, please do not set a date or rent a hall until you meet with Fr. Eric or me. I have had several disappointed couples who have rented a hall and then discover that the church is not available on that date. Call the parish office at 447-2087 to contact one of us for your important date.

Thank you,  
*Fr. Gary*

**ST. MARY'S ANNUAL IRISH REVERSE RAFFLE** will be held March 12 at the Civic Center. This is St. Mary's 2nd largest fundraiser. Enjoy an entertaining evening with dinner and bingo to follow. Tickets will be in the mail soon!

**MARRIAGE MOMENTS:** "For a marriage to have any chance, every day at least six things should go unsaid." (unknown) What words have you said in the past week that you wish you could take back? Here's a rule of thumb to monitor your speech. Is it true? Is it necessary? Is it good? For daily marriage tips visit: [www.ForYourMarriage.org](http://www.ForYourMarriage.org).

THOUGHT FOR THE WEEK: Health nuts are going to feel stupid someday, lying in hospitals dying of nothing.

**WHY SHOULD YOU CONSIDER**

**Calvert Catholic Schools  
for your child's education?**

**Here are some thoughts from *Lauren Reineke*:**

Calvert is in every way unique. The family aspect is probably my favorite part of Calvert. I am not just a student, I am a family member. When I walk down the halls I am never alone. I know everyone and everyone knows me. Calvert is one of the best support systems, aside from my immediate family, that I have. In Calvert's family, every student and staff member has a specific role they play in the whole picture, much like this parish.

I personally could not imagine attending a school where I did not know everyone, where I was merely just a student. Everyone at Calvert always says hello, no matter if they are at Calvert or at Wal-Mart.

At Calvert we are always encouraged to be a great role model, both to our peers and those that are younger. We are encouraged to reach for our goals and dream big! My teachers always push me to do my best and are always there before and after school to help in any way. The teachers don't just care about grades, they care about their students. Calvert encourages me not only academically, but spiritually as well.

Calvert paves a path for religion in every student. At Calvert, every student is required to take a religion class each year, before they can graduate. In religion class we learn so much about the Catholic Church. It has definitely helped me grow in my faith. Some of you may be wondering what we could possibly learn about for 50 minutes everyday. Well, let me tell you, there is plenty! I am currently in Creed with Fr. Eric where we have begun to study the different creeds of the Catholic Church. I have also taken several classes on the history of the Church, the sacraments, the new and old testaments, morality and many others.

Religion doesn't stop in the classroom. Calvert celebrates a student Mass once a week as well as other activities throughout the year.

Calvert also has the privilege of saying a prayer together before every class (a great way to learn the many prayers that the Church has.) We also get to participate in prayer before and after every sporting event, even practice.

These are just a few of the great things that set Calvert apart and make it the unique school that it is. Calvert is a huge part of my life. I have been thinking a lot about next year and my graduation. Many of my classmates have been classmates for over fourteen years. Although I am excited to begin a new chapter of my life, Calvert will always be my high school, my family, and my support system that will continue to lead me on my journey. For that, I will be forever grateful to my parents and members of both parishes that have helped to support Calvert throughout the years.

Thank you.
