From Fr. Eric:

I would like to thank everyone in the Tiffin area for making me feel so welcome in my first assignment. Every new vocation is a big adjustment (as you married couples remember!), but the transition has been smooth due to your kind welcome. I am enjoying Tiffin and am trying to visit the various businesses and sample the food at the restaurants. If I have not visited your business or restaurant, please remind me where you work so that I can say hello. May the Lord bless this community and grant eternal rest in this month of November to all our deceased relatives and friends.

ST. MARY HAS BEEN AWARDED a grant in the amount of \$1500.00 for the purchase of an assistive listening system to be installed in our sound system. This should aid those who find it difficult to hear at Mass by using a special listening device. The system should be functioning around Christmas time.

FAMILY PERSPECTIVE: "Come to me, all who are burdened, I will give you rest." Our loved ones, who have stepped through the door of death, are now at rest, free of all burdens. In going home to the Lord they brought their love and concern for us with them. Death cannot totally separate families; our love binds us together forever.

GOSPEL SUMMARY: Both pagans and Christians have kept memorials of dead relatives and friends. In the early church the custom was to celebrate a remembrance of the deceased person three days following the burial and on the one year anniversary of the person's death. All Souls' Day highlights the paschal nature of Christian death. By being plunged into the waters of baptism, we die with Christ and we believe we will also rise with him.
